# CSS Homework

Easy

Instructions

1. Build out the pie chart seen in the image using only HTML and CSS (no images!)
2. Set the background color of each section to the color it is labeled

Medium

images for the challenge cart-icon.png search-icon.png

Instructions

1. Build out the masthead seen in the image masthead.png
2. Use the 'cart-icon.png' and 'search-icon.png' images; everything else should just be HTML and CSS
